CLINICAL AUDIOLOGIST POSITION AT NORTHWESTERN UNIVERSITY, EVANSTON, ILLINOIS

The Roxelyn and Richard Pepper Department of Communication Sciences and Disorders at Northwestern University is searching for a clinical audiologist to provide evidence-based audiologic care, precept and develop Doctor of Audiology students and participate in the development and teaching of clinical labs. As a member of the faculty, the successful applicant will also be involved in general academic and clinical program development in the Roxelyn and Richard Pepper Department of Communication Sciences and Disorders and its (Northwestern University) Center for Audiology, Speech, Language, and Learning (NUCASLL) in the School of Communication. The NUCASLL is a state-of-the art facility for clinical training and service delivery.

The successful applicant will have strong interests in working with adult patients in the areas of aural rehabilitation and tinnitus management. The successful candidate will be expected to interface with the training and research missions of the clinic and department.

Employment term: An 11-month renewable appointment.

Duties:

- Provide high quality evidence-based clinical audiologic services to individuals (primarily adults) for the purpose of preventing, identifying and treating hearing and balance disorders.
- Develop the clinical and professional skills of Doctor of Audiology students via direct clinical and educational team-based instruction.
- Participate in clinical research by collecting data and providing guidance on AuD capstone projects.

Qualifications:

- Earned AuD degree
- Eligibility for Illinois Audiology license
- ASHA Certificate of Clinical Competence
- 5 years of clinic experience
- Taken course or obtained certification in precepting students

Salary: Commensurate with experience

Application procedure: Send cover letter describing your clinical interests and list any previous teaching or research experience (if applicable), a current vita (including e-mail address), and three letters of recommendation to the Search Committee Chair, Diane Novak, AuD. Email d-novak@northwestern.edu.

The University: Northwestern University is one of the nation's largest private research Universities. The main campus is located in Evanston and the medical campus is located 12 miles south, in Chicago. Both campuses are located on the shore of Lake Michigan. There is continuing expansion of University facilities and programs, particularly in the sciences and medicine. Diverse cultural, social, and recreational activities abound on and near each campus.

Northwestern University is an Equal Opportunity, Affirmative Action Employer of all protected classes including veterans and individuals with disabilities. Women and minorities are encouraged to apply. Hiring is contingent upon eligibility to work in the United States.
