2. Eligibility for Illinois SLP licensure
3. Clinical experience in:
   - Dysphagia assessment and management
   - Motor speech disorders
   - Language Disorders
   - Cognitive Disorders

**Duties:**
- Provide exceptional, evidence-based diagnosis and treatment for patients in an acute-care hospital setting.
- Provide exceptional, evidence-based diagnosis and treatment for adult clients in an outpatient clinic
- Perform and interpret diagnostic videofluoroscopic swallow studies and FEES

**Salary:** Commensurate with experience.

**Application procedure:** Send cover letter describing your clinical interests and experience, a current vita (including e-mail address), and three letters of recommendation to the Search
Committee Chair, Kristin Larsen. Forward questions to Kristin Larsen, Assistant Clinic Director at k-larsen@northwestern.edu. For more information about the Clinic and Department, please visit: http://www.communication.northwestern.edu/clinic

The University: Northwestern University is one of the nation’s largest private research universities. The main campus is located in Evanston and the medical campus is located 12 miles south in Chicago. Both campuses are located on the shore of Lake Michigan. There is continuing expansion of University facilities and programs, particularly in the sciences and medicine. Diverse cultural, social, and recreational activities abound on and near each campus.

Closing Date: Ongoing until position is filled. Review of applications will begin immediately. Northwestern University is an Affirmative Action, Equal Opportunity Employer. Women and minorities are encouraged to apply. Hiring is contingent upon eligibility to work in the United States.

NOTE: The CF will not provide formal supervision of graduate students.
