

Parking for daytime performances Monday through Friday:

WHERE SHOULD I PARK?

Please note that permit parking will be enforced on campus and we highly recommend that you park at the **Segal Visitors Center parking garage located at 1841 Sheridan Road** (on Campus Drive) and a short walk from the theater. When you arrive to the Segal Visitors Center parking garage an access ticket will be dispensed at the gate and will be required for you to enter and leave the garage. Pull a ticket at the entrance of the garage and insert the same ticket at the exit. Please keep that access ticket as you will need it to exit the garage and pay the \$8.00 parking fee. The garage exit lane accepts credit card payments. Insert your parking ticket and follow the prompts on the box to pay and exit.

Unless you already have a campus parking permit, we recommend that you do not park in the two level parking structure across from the Wirtz Center as a permit will be required from the Evanston Campus Parking Office. Day permit parking passes are \$8.25.

MY GROUP HAS A BUS, HOW SHOULD WE COORDINATE THE DROP OFF & PARKING?

Buses may drop off patrons in front of the Barber Theatre and then park along the west curb of Ashland between Isabella and the first driveway near the Ryan Field shuttle stop. The City's parking enforcement department will not enforce their parking ordinance for Northwestern buses or those we charter, even though "no parking" signs will remain along the west curb. If you charter a bus, the bus driver should know not to park in the Ryan Field parking lot, but rather park facing southbound on the west side of Ashland just south of Isabella St. Although the parking in this area will not be enforced, the City's idling ordinance will be. Buses should not idle in any area with signage noting, "No bus parking or idling."
