

CSD Undergraduate Course Offerings, 2018-2019

Version Date: 2018-06-22

Courses By Quarter and Category

Fall	Winter	Spring
------	--------	--------

Basic Science Category

301	305	369/464 (Diversity)
302	306	369 (Aging)
398	310	398
399	392	399
	395	
	398	
	399	

Clinically Related Category

320	318*	319*
369 (LD and the Arts)		332*
373		334
376		388*

Other

110	202	108 (for non-majors)
304	207 (1 st yr seminar)	

Online†

318	301	301
319	318	305
392		

*Pre-requisite coursework may apply. Courses without an asterisk do not have pre-requisite coursework, but other restrictions may apply. Undergraduate students should check with the CSD advisor regarding pre-requisites and recommendations.

†All five online courses are offered in the summer. Online courses are offered by the School of Professional Studies (SPS), and priority is given to pre-SLP students in SPS and admitted MS students. There is no guarantee that space is available. Submission of a dual registration form (available on the SoC undergraduate advising website, forms page) is required for requesting enrollment. HPME students may not use CSD 301-DL as an additional science course for GPA purposes.

CSD Undergraduate Course Offerings, 2018-2019

Version Date: 2018-06-22

Course Titles By Category

Basic science courses

CSD 301-0/DL Anatomy and Physiology of the Vocal Mechanism
CSD 302-0 Anatomy and Physiology of the Peripheral Hearing Mechanism
CSD 305-0/DL Phonetics
CSD 306-0 Psychoacoustics
CSD 310-0 Biological Foundations of Speech and Music
CSD 369-0 Topics: Cognitive Neuroscience of Human Communication
‡CSD 369/464-0 Topics: Linguistic and Cultural Diversity and Speech and Language
Development and Disorders
‡CSD 369-0 Topics: Communication Process in Aging
CSD 392-0/DL Language Development and Usage
CSD 395-0 Cognitive Neuroscience of Human Communication
CSD 398-0 Research Practicum
CSD 399-0 Independent Study

Clinically oriented courses

*CSD 318-0/DL Introduction to Audiology
*CSD 319-0/DL Aural Rehabilitation
CSD 320-0 Introduction to Speech, Language, Learning, and Their Disorders
*CSD 332-0 Clinical Assisting in SLP
‡CSD 369-0 Topics: Field of Special Education
CSD 373-0 Learning Disabilities
*CSD 388-0 Attention Deficit Disorder and Related Disorders
*CSD 419-0 Pediatric Audiology

Other courses

CSD 108-0 Sound and Communication Health
CSD 110-0 Introduction to Hearing and Speech Acoustics
CSD 202-0 Neurobiology of Communication
CSD 207-0 (First Year Seminar)
CSD 304-0 Statistics in CSD

*Pre-requisite coursework may apply. Courses without an asterisk do not have pre-requisite coursework, but other restrictions may apply. Undergraduate students should check with the CSD advisor regarding pre-requisites and recommendations.

‡The CSD 369 Topics course may be taken multiple times for credit as long as the topic differs.
